The Treasure

Tim Dalton sat unhappily at the kitchen table with his parents. It was the middle of August and it was very hot. They all wanted to go on holiday but they just didn't have enough money.

Tim finished his breakfast and went into the garden. Buster, his huge dog, followed him joyfully. Simon lay on the grass. He felt bored. He looked around the garden looking for something to do. Suddenly, he had an idea. "Come on, Buster! Let's plant some trees!" Tim took a spade and started digging.

Suddenly, his spade hit something hard. It was the top of a small wooden box. He kept digging until he could pull the box out. It took him a long time. He tried to open it but it was locked, so he broke it with his spade. When he opened the box he could not believe his eyes. The chest was full of ancient coins. "Mum! Dad!" he shouted loudly. "Come and see! It looks like treasure!" "It is," his dad said. "It's gold!"

The Daltons took the treasure to the local museum and they were delighted to receive a reward. Tim was in all the newspapers and they even interviewed him on TV.

A week later, Tim was on a beautiful beach in Florida, one of the warmest states of their country. He enjoyed swimming and basking in the sun. His idea of planting trees wasn't such a bad one, after all! He looked at his parents and smiled happily. This was going to be a great holiday.
